

Perelman
School of Medicine
UNIVERSITY of PENNSYLVANIA

Department of Physiology

Indira M. Raman, Ph.D.

Professor

*Department of Neurobiology
Northwestern University*

***"Resurgent current of voltage-gated
Na channels of neurons: From
biophysics to physiology "***

Department of Physiology Seminar Program

Thursday, September 18, 2014
4:00 p.m. – 5:00 p.m.

Physiology Conference Room
B404 Richards Building

For more information call: (215) 898-8725
